

## Appendix N

### Data Legend for Model of Availability and Need

#### Descriptive Data

<b>Data Point</b>	<b>Description</b>	<b>Data Source</b>
<b>County Name</b>	Name of Texas County	NA
<b>Population</b>	County population estimate	2016 U.S. Census Data
<b>Male Population</b>	County level estimated number of males	2016 U.S. Census Data
<b>Male Victim Population</b>	County level estimated number of males who have experienced some form of intimate partner violence	2016 U.S. Census Data, National Intimate Partner and Sexual Violence Survey 2010 Data
<b>Female Population</b>	County level estimated number of females	2016 U.S. Census Data
<b>Female Victim Population</b>	County level estimated number of females who have experienced some form of intimate partner violence	2016 U.S. Census Data, National Intimate Partner and Sexual Violence Survey 2010 Data
<b>Median Age</b>	County level median age of county residents	2016 U.S. Census Data
<b>Population % Non-White</b>	Percentage of county residents that are not White/Caucasian	2016 U.S. Census Data
<b>Population % Hispanic</b>	Percentage of county residents that are of Hispanic ethnicity	Eviction Lab Dataset based on U.S. Census Data
<b>Population % Non-White, Hispanic</b>	Percentage of county residents that are not White/Caucasian (alone) or are of Hispanic ethnicity	2016 U.S. Census Data
<b>Population % English-Speaking</b>	Percentage of county residents who speak English	2016 U.S. Census Data
<b>Population % veteran</b>	Percentage of county residents that are U.S. Armed Services veterans	2016 U.S. Census Data
<b>Population % identified disabled</b>	Percentage of county residents that are living with one or more disabilities	2016 U.S. Census Data
<b>Population median household income</b>	County level median household income	2016 U.S. Census Data
<b>HHSC '17 Clients Served</b>	County level unduplicated counts of victims served in Fiscal Year (FY) 2017	FY 2017 Health and Human Services County-level data

<b>Data Point</b>	<b>Description</b>	<b>Data Source</b>
<b>HHSC '18 Clients Served</b>	County level unduplicated counts of victims served in FY 2018	FY 2018 Health and Human Services County-level data
<b>DFPS % of cases FV indicated</b>	County level percentage of founded DFPS cases with a finding of family violence	State level Department of Family Protective Services data for 2017
<b>5-year VOCA Funds Received</b>	Total amount of funding for county programs through state-level VOCA funding streams rounded to nearest dollar	State level award data on VOCA funding 2012-2016
<b>Total Client Victimization (VOCA)</b>	Total number of reported family violence victimizations served with VOCA funding received	State level data on VOCA funding reported by agencies 2012-2016
<b>% FV Victimization (VOCAO)</b>	Percent of family violence victimizations served rounded to nearest percentage	State level data on VOCA funding reported by agencies 2012-2016
<b>5-Year VAWA Funds Received</b>	Total amount of funding for county programs through state-level VAWA funding streams	State level award data on VAWA funding
<b>Total Client Victimization (VAWA)</b>	Total number of reported primary family violence victimizations served with VAWA funding received	State level data on VAWA funding reported by agencies
<b>% FV Victimization (VAWA)</b>	Percent of family violence primary victimizations served	State level data on VAWA funding reported by agencies
<b>CVC Claims Filed</b>	County level sum of crime victim compensation claims filed for family violence incidents	State level data of crime victims compensation, 2012-2017
<b>% CVC Claims Approved</b>	County level percentage of submitted crime victims compensation claims approved (-9900% indicates no data available)	State level data of crime victims compensation, 2012-2017
<b>CVC Funds</b>	County level total funds distributed through crime victims compensation claims (Claim amounts in parentheses indicate distributions made for a prior fiscal year)	State level data of crime victims compensation, 2012-2017

<b>Data Point</b>	<b>Description</b>	<b>Data Source</b>
<b>Legal Representation</b>	County has legal representation in the form of an attorney on staff representing clients in civil or criminal cases	Availability survey data
<b>Shelter (Y/N)</b>	County has one or more shelter(s)	Availability survey data
<b>Number of Beds</b>	Number of beds (beds, cribs, cots/air mattresses) available in county through shelter(s) for victims of family violence	Availability survey data
<b>Average Length of Stay</b>	County level average length of stay in days at family violence shelters (If multiple shelters serve a county, average was taken across shelters; midpoint was taken if a range was provided)	Availability survey data
<b>Rural/Urban Designation</b>	County level designation as Rural or Urban	Texas Department of State Health Services, County Designations
<b>Border Designation</b>	County level designation as Border or Non-Border	Texas Department of State Health Services, County Designations
<b>Family Violence Agencies</b>	Agencies serving county	Availability survey data

## Analytic Guide for Model Data: Availability of Family Violence Services

Data Point	Description	Data Sources	Scoring
<b>Physical Presence of services</b>	County level information about the presence of shelter, nonresidential services, and outreach office	Availability Survey, Questions 17, 18, 19, 20, 21	<p>0.0: County has no physical presence of services</p> <p>0.5: Highest level of services available are co-located services with another agency and/or ability to meet clients at agreed location</p> <p>1.0: Highest level of services available are an outreach office</p> <p>1.5: Highest level of services available are non-residential center</p> <p>2.0: Highest level of services available are residential/shelter</p>
<b>Child care</b>	County level indication of an agency providing at least one of the following types of child care services: <ul style="list-style-type: none"> <li>• Onsite child care</li> <li>• Voucher for child care</li> <li>• Respite care</li> </ul>	Availability Survey, Question 32 (1)-(3)	<p>0: County does not provide child care services</p> <p>1: County has one or more child care services available to family violence victims</p>

Data Point	Description	Data Sources	Scoring
<b>Comprehensive Services</b>	County level information on whether any agency meets the following Chapter 51 core services criteria: <ul style="list-style-type: none"> <li>• 24-hour hotline</li> <li>• Criminal Justice Response</li> <li>• Intervention services</li> <li>• Legal Assistance</li> <li>• Referral Systems</li> <li>• Community education</li> </ul>	Availability survey, Questions 10, 17, 71, 72, 73, 75, 77	0: County does not meet one or more of the core services criteria  1: County meets all six core services criteria
<b>Mental health care</b>	County level indication of an agency providing at least one of the following types of mental health care/services: <ul style="list-style-type: none"> <li>• County-wide services</li> <li>• In agency services</li> <li>• Voucher</li> </ul>	Availability survey, Questions 35-37	0: County does not provide mental health care to clients  1: County provides one or more mental health services to clients
<b>Non-shelter DV housing</b>	County has additional housing options for family violence victims including rapid rehousing, transitional housing (scattered site or project-based), permanent supportive housing, or tax-credit properties	Availability survey, Questions 40, 45, 50, 55, 60, 64	0: County does not have other family violence housing options  1: County has one or more other family violence housing options available
<b>10% Threshold for Females Served</b>	County level indication of serving a minimum of 10% of their estimated female victim population based on estimated prevalence rates	National Intimate Partner and Sexual Violence Survey State Level Data 2010; U.S. Census Data; Health and Human Services County-level data 2017-2018	0: County is not serving at least 10% of estimated female victims of family violence  1: County is serving 10% or more of estimated female victims of family violence

Data Point	Description	Data Sources	Scoring
<b>Sworn Law Enforcement</b>	County level per capita rate of sworn law enforcement officers	Texas Department of Public Safety Annual Report for 2016	<p>0: Per capita rate of LE officers is less than state average per capita (1.64 per 1000 residents)</p> <p>1: Per capita rate of LE officers is equal to or greater than state average per capita</p>
<b>Possible Availability Indicators</b>	Denominator of indicators for each county used to assess availability score	NA	All counties are assessed on total possible score (8)

## Analytic Guide for Model Data: Family Violence Service Need

Data Point	Description	Data Sources	Scoring
<b>Population % Non-White, Hispanic</b>	County level percentage of residents who are not White/Caucasian (alone) or are of Hispanic ethnicity	2016 U.S. Census	<p>0: County non-White, Hispanic population is less than state non-White population (56.2%)</p> <p>1: County non-White, Hispanic population is greater than or equal to state non-White population</p>
<b>Poverty Level</b>	County poverty level greater or less than state-wide average	Eviction Lab	<p>0: County poverty level is less than statewide overall poverty level (13.45%)</p> <p>1: County poverty level is greater than or equal to statewide overall poverty level</p>
<b>Shelter request denied due to lack of space</b>	County level percent of shelter requests denied due to lack of space greater or less than state-wide average	Health and Human Services Commission County Level Data for FY 2017 and FY 2018	<p>0: Percentage denied due to lack of space is less than state average (44.26%)</p> <p>1: Percentage denied due to lack of space is equal to or greater than state average</p> <p><i>Please note: Only considered for counties with shelter and data available.</i></p>
<b>Border status</b>	Counties designated as Border or Non-Border according to Article 4 of the La Paz Agreement of 1983, which defines a county as a Border county if within 100 Kilometers of the U.S./Mexico border.	Texas Department of State Health Services Border Designations	<p>0: County has a non-border designation</p> <p>1: County has a border designation</p>

Data Point	Description	Data Sources	Scoring
<b>Rent burden</b>	County level percentage of household income spent on rent in a given area greater or less than state-wide average	Eviction Lab	<p>0: County level percentage of household income spent on rent is less than state-wide average of household income spent on rent (29.3%)</p> <p>1: County level percentage of household income spent on rent is equal to or greater than state-wide average of household income spent on rent</p>
<b>Family violence incidence rate</b>	County-level incidence rate (per 1000 people) of family violence as reported to law enforcement	2016 Uniform Crime Report, Texas Department of Public Safety Annual Report for 2016	<p>0: Rate of family violence is less than state family violence incidence rate (7.27 per 1000 people)</p> <p>1: Rate of family violence is equal to or greater than state family violence rate</p>
<b>Femicide</b>	County level per capita femicide rate (IPV related homicide of female by male intimate partner)	Honoring Texas Victims Data 2012-2016	<p>0: Per capita rate is less than state (4.9 per 100,000 women)</p> <p>1: Per capita rate is greater than or equal to state</p>
<b>Population growth</b>	County level population growth from 2015-2017 compared to the total state population growth	Annual Population Estimate, U.S. Census Data	<p>0: Growth rate is less than state average</p> <p>1: Growth rate is greater than or equal to state average</p>
<b>Possible Need Indicators</b>	Denominator of indicators for each county used to assess need score	NA	Counties are assessed on total possible score (7 or 8) dependent on available data and presence of a shelter.
